Slight repairs are in progress to the
 North bridge today.

John Smith has purchased one of the
 motor row boats from McCoy Brothers.

N. E. Walsh left today for Ponce
 Park, to put some plumbing arrange-
 ments in the Pacetti House.

Leon E. Ellenwood is engaged in
 extending his landing place on the
 opposite side near the North bridge.

The E. W. Bond Company's saw mill
 at Lake Helen will commence operations
 in February. It will be one of the finest
 in Florida. The crate factory will not
 start until spring.

Melton & Cameron will begin work in
 a day or two digging out a basin on the
 south side of McCoy's dock, for the stor-
 age of boats. They will also clean out
 the Uncle Sam's mooring place.

Stetson University, at DeLand offers
 free tuition, free room rent, and a dis-
 count on the regular rate of board to all
 Florida school teachers in the spring
 term, to get them ready for the county
 examinations.

No Paper Christmas Day.
 In order that the force may enjoy
 Christmas Day, there will be no issue of
 The Daily News, on Monday.

Sold the Boat's Hull.
 Arthur Pollett has sold the hull of his
 racing craft to E. M. Goodall, of Day-
 tona Beach. The latter will immedi-
 ately secure a motor and fix the boat up
 for pleasure.

Gasoline Explosion.
 D. McLaren is suffering from injuries
 received while testing his Springfield
 gasoline engine, at his home on the
 beach, several days ago.

Mr. McLaren held a match in the
 room and some of the gasoline became
 ignited causing the explosion. His arm
 is severely burned, and he is carrying it
 about swathed in bandages.

Holly Hill School Exercises.
 The Christmas exercises given last
 evening at the public school building at
 Holly Hill were a great success. The en-
 tertainment was due to the efforts of
 Mrs. I. M. Mahbert, the principal of the
 school, and her able assistant, Miss
 Maud Milburn. Songs, recitations and
 games composed the program.

The two main rooms were thrown into
 one by opening the folding doors between
 and this large room was very prettily
 and tastefully decorated for the occa-
 sion. Many of the parents and friends
 of the children were present and were
 much pleased with the entertainment.

Cakes, candies, oranges, etc., were
 served to those present.

Miss Evelyn Clark is home from West
 Palm Beach to spend the holidays.

Arraigned Before Judge Cox.
 J. Bloes, E. C. DeWitt, and E. E.
 Davis, three young white men were ar-
 raigned yesterday afternoon on the
 charge of being suspicious characters.
 There was not enough evidence to hold
 the parties and they were turned loose.

Marshal Zuber was the cause of a
 search warrant being sworn out against
 the men, because he met them several
 evenings ago on the Port Orange road
 after twelve o'clock. The men told
 several conflicting stories, one of them
 saying that they had walked from Port
 Orange, where they had arrived the af-
 ternoon previous. The marshal said
 that he had seen the men in town be-
 fore. Before the Judge they said that
 they had gone out in quest of parties
 pilfering an orange grove.

We have several
Gilt Edge
Propositions
 in improved and unimproved
 Beach street property
 that we would like to put
 before some one who wants
 a good thing.

Won't you get lucky and
 let us show you what there
 is in it?

....Wanted....
1,000 Reporters!

The Daily News wants 1,000 reporters. No, this is not
 a joke. We really want them, and we won't be happy until
 we get them.

In other words, The Daily News wants every person,
 male and female, 18 years of age and over, in Daytona and
 its environs, to get on the staff of the paper. The Daily News
 wants every scrap of local news that is worth printing to ap-
 pear in its columns. The best way to get it is to ask the
 people who know about the news to send it to the paper.

So if you know of anything that has happened, or is
 about to happen, tell the City Editor about it or write to him.

Let every man and woman, youth and maid in and
 around Daytona become a reporter The Daily News.
